

14. To print Armstrong numbers between 1 and 1000

File Edit Packages Windows Help

R Console

```
> n <- 1:1000  
[1] 1 2 3 4 5 6 7 8 9 153 370 371 407  
>
```

Untitled - R Editor

```
for (n in 1:1000) {  
  temp <- n  
  sum <- 0  
  digits <- nchar(n)  
  while (temp > 0) {  
    digit <- temp %% 10  
    sum <- sum + digit^digits  
    temp <- temp %% 10  
  }  
  if (sum == n) cat(n, " ")  
}
```
